## Notes

1. Full details of the project plus all teaching materials are on the project website - [www.robokid.org.uk](http://www.robokid.org.uk). Please email me at [j.t.herd@hw.ac.uk](mailto:j.t.herd@hw.ac.uk) if you require more information.
2. Project will supply
  - a. ONE robot kit per 3 pupils + ONE spare kit
  - b. ONE teacher kit per class (Includes batteries, chargers, pens, paper, etc)
3. We will try to give you your first choice term where possible.
4. Only 1 stage per school (P6 or P7 or P6/P7 composite)
5. Email contact with class teachers is very important. Please ensure that the given email address is actively checked on a regular basis. Supplied email address will not be published or passed to third parties.
6. If you have more than 3 classes per stage then please contact me.
7. For organisational purposes all classes in a school must run the project in the same term.
8. Kits will be supplied before the official start date of the project.
9. Kit collection will take place during the designated week. Kits should be prepared on the Friday before the collection week. We cannot give exact times of collection.
10. No deliveries will be made during the holiday period Monday 11<sup>th</sup> October to Friday 22<sup>nd</sup> October. This period covers the range of holiday dates set by all Scottish Local Authorities.
11. Please send your completed form to

Jim Herd  
Department of Electrical, Electronic and Computer Engineering  
Earl Mountbatten Building  
Heriot-Watt University  
Riccarton campus  
Edinburgh  
EH14 4AS

I will send a confirmation reply through your supplied email address.

## Terms and conditions

- School to take reasonable care of kits but school is not responsible for any breakages.
- School to prepare kits for collection at the specified time for free collection by a commercial courier. If kits are not ready for collection at the designated time then school is responsible for return of kits to Heriot Watt University.
